Financial Planner 2 Career Positions Available

Build your own share of 'Blue Chip Wealth Management' business

Blue Chip Wealth Management have opportunities for 2 professional financial planners to join our team, based at Willoughby. You will share in the value of your Blue Chip business.

Are you:

- A qualified financial planner or risk insurance consultant
- Frustrated with progress in your current role
- Know you have what it takes to generate your own business
- Have a professional caring approach to client advice
- Work in a compliant and diligent way
- Maybe need some mentoring, but are generally self reliant
- Passionate about growing as an individual as well as professionally
- Like working in a team environment where your ideas are valued
- Are considered by others to be a 'blue chip' person
- Do what you say you will
- A problem solver, not a just problem identifier
- Self motivated and up-lifting to be around

You will understand that your success delivers you the rewards you deserve

You may or may not already have your own client base

Tap into our 'blue chip' business process

We thrive on success and want you to be a success too!
