

First home buyers grant

1. How it works
2. Eligible?

Did you know that the Government has increased the grant for First Home Buyers to up to \$24,000?

The team at Blue Chip Wealth Management are able to explain how it works and see if you or any of your family members are eligible.

If you or any of your family are thinking about buying your first home, we can assist you to calculate how much you can borrow and how much the Government will contribute.

You might only need a small deposit and may be able to borrow nearly all you need to buy your first home.

For no charge we will meet with you to discuss your options and help you complete your FHOG and bank loan application forms.

Give Blue Chip Wealth Management a call on +61 2 9967 2180 or email at loans@bluechipwealth.com.au today to arrange your appointment.

We look forward to seeing you soon.
